## DISCOVER OUR CULTURAL HERITAGE!

Hessen’s state museums, palaces and gardens are artistic testimonies to times gone by – and still characterise our living environment today. With our brand “Kultur in Hessen” we strive to keep our cultural heritage alive – because art and culture are the cornerstones for a diverse, open and democratic society. I hope you enjoy discovering it!

Timon Gremmels, *Hessian Minister for Science and Research, Arts and Culture*

## EXPERIENCE THE GREAT VARIETY OF HESSEN’S CULTURAL LANDSCAPE.

Hessen is a region with many important cultural treasures, of which the state museums, castles and gardens – about 60 altogether – form a major part. They have been presented by the umbrella brand “Kultur in Hessen” since 2017. In this way the Hessian Ministry of Science and Research, Art and Culture draws attention to the great importance of Hessen in Germany’s cultural landscape. Follow our invitation to an exciting journey of discovery across time and borders.

Come and rediscover Hessen!
